(Wyclef Jean)

For real and that's no question  
No frontin' and no guessing (City High...)  
Caramel complected  
Body like..

You can say I'm plain Jane, but it's not the same  
I ain't into big names, but I like nice things  
I watch boxing matches an a football games  
I wouldn't mind being an actress, but I love to sing  
I like going out, taking walks and stuff  
I don't run with many girls 'cause they talk too much  
I enjoy quiet nights at home, curl up next to ya  
Though I aint a virgin that don't mean I'm having sex  
wit ya

Everywhere I go I'm spotted(For real and that's no  
question)  
And everything I want I got it(No fronting and no  
guessin)  
5'5 with brown eyes(Caramel complected)  
Smile like the sunrise(Body like heaven)

Anywhere I go I'm spotted(For real and that's no  
question)  
And everything I want I got it(No fronting and no  
guessin)  
5'5 with brown eyes(Caramel complected)  
Smile like the sunrise(Body like heaven)

Baby look me in the eyes  
And tell me if  
I'm the kinda girl you like  
I'm feeling you  
'Cause baby you're my kindda guy(That's what it is)  
Thinking about you and I  
I wanna run with this  
All night long  
And if you want me we can keep this going  
Let me tell you I'm the type that's strong  
And I don't trust a lot of men, I'm independent I'm aint  
like some other women

Anywhere I go I'm spotted(For real and that's no question)  
And everything I want I got it(No fronting and no guessin)  
5'5 with brown eyes(Caramel complected)  
Smile like the sunrise(Body like heaven)

Anywhere I go I'm spotted(For real and that's no question)  
And everything I want I got it(No fronting and no guessin)  
5'5 with brown eyes(Caramel complected)  
Smile like the sunrise(Body like heaven)

Ven aqui, Ven aqui Mama  
Baby girl don't you know you're a star  
See we could take a little trip to mi casa  
Spend the night popping Cris in the hot tub  
See I ain't never seen no girl like you  
Every sexy little thing you do  
5'5 brown eyes with your thick thighs  
Everytime I see your smile it's got me hypnotized

Mira (so can I get your number?)  
Mi amor mira me bien  
Te encantara si quisieras lo tendras(I don't know what you said, but I like it)  
Dondequiera, soy notada  
Lo que que me hayo me consigo  
Piel morena, ojos negros  
Y sonrisa soleada

Anywhere I go I'm spotted(For real and that's no question)  
And everything I want I got it(No fronting and no guessin)  
5'5 with brown eyes(Caramel complected)  
Smile like the sunrise(Body like heaven) [4x]

(For real and that's no question)  
(No frontin' and no question)  
5'5 with brown eyes(Caramel Complected)  
Smile like the sunrise(Body like heaven) [x2]
