[Verse I]

I don't understand why you had to go
I guess I'll never know
Life seems so hard
Since you went your way,
There's still some things I got to say

Even though I'm all alone
I know you want me to be strong
Standing tall amidst the rain
Without you life just ain't the same

[Chorus]

There are so many things I'd like to ask you
And there are so many things I still don't know
And there are so many things I'd like to ask you
Still yet so many things I will never know

[Verse II]

If there was anyway I could see your face again
I'd give my own life
Only you can ease my pain

And if I could turn back the hands of time
It would take me just a moment
To tell you what's on my mind

Even though I'm all alone
I know you want me to be strong
Standing tall amidst the rain
Without you life just ain't the same

[Chorus]

And there are so many things I'd like to ask you
And there are so many things I still don't know
And there are so many things I'd like to ask you
Still yet so many things I will never know

[Coda]

Sometimes I sit and wonder,
"Will we ever meet again?"
But wherever life may lead

You'll always have a friend in need
