Gotta call her homie  
(what I need to call her for)  
Gotta tell her for me  
(tell her what?)  
That i love her so strongly  
(why don't you tell her yourself son)  
Cause she won't listen to me now  
Without love in my heart, I might as well be dead  
(so you aint gone be killing yourself)  
So can you help me out  
(I can call her)  
You're the only one who can

Hello, yo shorty:  
I just got off the phone and  
Robby told me to come talk to you  
(yea about what)  
He said yall having problems  
And you left him now  
He's all confused  
(yea so what)  
Now girl why you bugging  
Know you was made for  
And him for you  
I ain't tryna butt in  
Just wanna be a friend  
And he asked me to call you

(CHORUS)  
Gotta call her homie  
And tell her for me  
That i love her strongly  
She won't listen to me  
Without love in my heart  
I might as well be dead  
Can you tell me how  
Your the only one who can  
Gotta call the homie  
And tell her for me  
That I'm really sorry  
She won't listen to me  
Without love in my heart

I might as well be dead  
Please tell me how  
You're the only one who can

oh girl this thing has gon' on long enough  
Can you see he don't know the true reason  
that you left him baby, cause of me  
he would be real surprised  
to find that i knew i would love you right  
What kind of friend am I  
To take advantage of my best friend's trust

Gotta call her homie  
And tell her for me  
That i love her strongly  
She won't listen to me  
Without love in my heart  
I might as well be dead  
Can you tell me how  
Your the only one who can  
Gotta call the homie  
And tell her for me  
That I'm really sorry  
She won't listen to me  
Without love in my heart  
I might as well be dead  
Please tell me how  
You're the only one who can

If you wanna know  
why I did what I did  
I got tired of being alone  
While you was out tricking  
I guess female dogs can learn tricks too  
See I'm not the bitch, but payback is  
And what you did, came back to you

Gotta call her homie  
And tell her for me  
That i love her strongly  
She won't listen to me  
Without love in my heart  
I might as well be dead  
Can you tell me how  
Your the only one who can  
Gotta call the homie  
And tell her for me  
That I'm really sorry  
She won't listen to me  
Without love in my heart  
I might as well be dead

Please tell me how  
You're the only one who can
