Ride my bike,
I ride it everywhere,
Like a ghost... sailing the road
OÂ', on my bike IÂ'm the emperor

All alone, safe in my room again,
Out the window staring at clouds,
Oh, in my room... IÂ'm the emperor

[Â... proceed to rock.]

In my life, I choose everything
If you ask me, youÂ're all the same

Oh, in my life... IÂ'm the emperor

One day... IÂ'll be gone
YouÂ'll be just sitting there...
... wondering what happened to John

Oh oh oh, IÂ'm the emperor
Oh oh oh, IÂ'm the emperor
Ooooooh...
Oh, oh, oh oh, yeah!

Loneliness,
Just when I thought it was over, it started again
