This bed is tear stained, yeah
And you lit a fire of no return
So I warm my bones and watch it burn
Burn... delivering my soul
And Iâ€™m free from your mind control
Yes Iâ€™m free from your mind control
I watch it burn to the ground, Oh
Oh... oh.
I see ashes where we made love,
Where I held you near,
Where I gave you my soul, Oh
Oh... oh.

Woman!

Burning
Burn... delivering my soul
And Iâ€™m free from your mind control
Yes Iâ€™m free from your mind control
