Who's the captain of the ship  
I think it's sinking  
I know I don't know what I know  
I don't know what was I thinking

Paper dolls before the folding  
Schools like malls that all are closing  
Afraid to dance don't talk to strangers  
Avoid romance read what the sign says  
'Parental guidance is advised'  
Another teenager surprised

Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah  
Yeah, life was easier at five

Blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah  
Yeah, life was easier at five  
What was I thinking?

I can't make up my mind  
Can't even make up my bed  
Yeah, I should clean up my act  
But first I clean up my head

My books are on the shelf  
I don't apply myself  
You always check up on me  
But check yourself, oh

Paper dolls before the folding  
Schools like malls that all are closing  
Afraid to dance don't talk to strangers  
Avoid romance read what the sign says  
'Parental guidance is advised'  
Another one us survives

Blah, blah, blah, blah  
Feels so good to be alive

Blah, blah, blah  
Yeah, life was easier at five

Blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah  
Yeah, life was easier at five

It was bad as it is in my school  
Oh, as bad as it is  
Still my school

At five  
What was I thinking?  
At five  
What was I thinking?
