Poppies

Long long ago in China
I'm told
To England was traded
some tea
And so sealed the fate
In pieces of eight
All England and all of the
world
Yeah...poppies

When soon his majesty
sent soldiers and thieves
To India searching for gold
Instead from the ground
Some magic they found

Something far better I'm told
Yeah...poppies
Yeah...poppies

And now the story told
from days of our own
When gossamer doggies
ran ran
They'd patiently wait
With pieces of eight
So everybody could smile
one more time
Yeah...poppies
Yeah...poppies
