Some cats they know how to fight
Some cats run
I'm a thousand generations ahead of them
Cool as they come

See all my suits are Calvin Klein
My lucky number, 69
I got all the things I need
It's the nature of my breed

I'm independent, smooth and confident
Always in command
With a graceful element, a taste for compliment
Do you know who I am?

Look up, look down, watch out
The tiger's on the town tonight
I'm a deadly handsome man

Look up, look down, watch out
The tiger's on the town tonight
I'm the lion in the lamb

Everywhere I go I make a scene
The ladies love to stroke me, yeah
Pimped out and lazy in my limousine
Oh, come on here sweetie

Everything I say like Socrates
Most people love to quote me
My real name is Mephistopheles
But you can call me Baby

See all my suits are Calvin Klein
My lucky number, 69
I got all the things I need
It's the nature of my breed

I'm independent, smooth and confident
Always in command
With a graceful element, a taste for compliment
Do you know who I am?

Look up, look down, watch out
The tiger's on the town tonight
I'm a deadly handsome man

Look up, look down, watch out
The tiger's on the town tonight
I'm the lion in the lamb

Look up, look down, watch out
The tiger's on the town tonight
I'm a deadly handsome man

Look up, look down, watch out
The tiger's on the town tonight
I'm the lion in the lamb
