Well you think you don't need me,  
So you pick up and leave me  
It's a point I won't argue,  
'Cause I don't even love you

You wanna talk about class?  
That would really be a gas  
Mama let me make it clear,  
Call somebody who cares

Yeah, oh yeah, yeah,  
You're gonna need somebody,  
Yeah, oh yeah, yeah  
You're gonna need somebody,  
Anyone... but me  
Yeah, oh yeah, yeah

I used to think about forever,  
Now I'm thinking more like never  
But sugar ever since you left me,  
It's feeling good just to be me

You wanna call each other names,  
Telling people it's a shame,  
Baby, lemme make it clear  
Call somebody who cares

Yeah, oh yeah, yeah,  
You're gonna need somebody,  
Yeah, oh yeah, yeah  
You're gonna need somebody,  
Anyone... but me

Yeah, oh yeah, yeah,  
Do yourself a favor, ask around,  
In your city, with someone...  
... Anyone but me

Yeah, oh yeah, yeah,  
You're gonna need somebody,  
Yeah, oh yeah, yeah  
You're gonna need somebody,

Anyone but me
