Take my control so you can get what you need  
Shadow my soul but give me no guarantees  
Never enough now tell me just where I'm at  
Why you want to go on and do me like that, why you  
want to go on and do me like that

That's the sound, that's the sound she's a loaded gun  
That's the sound so get ready 'cause here she c-c-c-c-  
c-c-c-c-comes

Here she comes here she comes, Wasted again  
Here she comes here she comes, Bangin' again (2x)

Felt so alive 'til you left me for dead  
So often get the feeling you don't care what I've said  
Inquisitive minds go on to kill off the cat  
Why you want to go on and do me like that, why you  
want to go on and do me like that

That's the sound, that's the sound she's a loaded  
gunâ€¦Oh Yeeeaah  
That's the sound so get ready 'cause here  
sheâ€¦'cause here she comes

Here she comes here she comes, Wasted again  
Here she comes here she comes, Bangin' again (2x)

It's a crazy shame, it's a crazy shame, it's a crazy  
shame,  
everybody wants her  
It's a crazy shame, it's a crazy shame, it's a crazy  
shame,  
everybody wants her  
It's a crazy shame, it's a crazy shame, it's a crazy  
shame,  
everybody wants her  
It's a crazy shame, it's a crazy shame, it's a crazy  
shame,  
everybody wants her now

Here she comes here she comes, Wasted again

Here she comes here she comes, Bangin' again (4x)

Open my veins but you bled 'em dry  
The site can make you squeamish so you best run and  
hide  
You've taken my white room and painted it black  
Why you want to go on and do me like that, why you  
want to go on and do me like that
