On silent wings through the darkness of aeons he
comes
Driven by bloodlust and craving for unholy passion
Ecstatic for wicked slave abuse he enters your world

The beast in him is always awake and ready to strike at
will
Cast out from the heavens he commits sins which makes
angels turn their heads
He is the commander of the 7th compartment of the
underworld
And deep down in the core of your soul you know that
you want him

Could you ever picture death
To excite you 'til sanity's end and make you loose your
breath?

Groans of pleasure - demonacy
Your orgasm - ecstasy

Twisting, turning, crying, praying, screaming, dying,
blood is spraying
Death sex ejaculation !
Death sex ejaculation !

As so many times before he stumbles through the
garden of life
Ascending from the firey pits with intention to kill again
For those who dares tasting this body all seal their fate
in blood

Sweat, blood and tears makes the spirit and flesh join
as one
His name silence people in fear and tonight it's the one
you adore to cry out
He penetrate you so deep that he'll never come out
again
Death is out riding the sky and tonight he comes for
you

Be all twisted fantasies

Libido, perversions on demons killing spree

Groans of pleasure - demonacy

Your orgasm - ecstasy

Twisting, turning, crying, praying, screaming, dying,
blood is spraying

Death sex ejaculation !

Death sex ejaculation !

Death sex ejaculation !

DEATH SEX EJACULATION !
