Jeanne d'Arc, Jeanne d'Arc  
Your mother are many  
Everything bleeds  
Nor have they heard the netherworld move it's lips  
You haven't heard a word, you haven't heard a  
word  
It's the emptiness  
Everything is from within  
Afraid to die you are  
Don't receive the sword, don't receive the sword  
Everything bleeds the branches bleed  
Between your cold mouths  
They will throw ashes over the Seine  
Ashes over the Seine  
Like a funeral veil  
Ashes over the seine  
Jeanne d'Arc, Jeanne d'Arc  
Don't believe your visions,  
Everything you given a name is already blest  
Don't receive the white armor  
There is nothing to defend  
Don't bow down for the kings  
All the blood, all the blood  
Yes you will be betrayed  
So much blood  
The stones are cold  
You hear no voices, you hear no voices  
They will take up your sword to bloody bronze  
And hang as an oath in the catacombs  
You haven't heard a word, you haven't heard a  
word  
It's the emptiness  
Everything is from within  
Afraid to die you are  
Don't believe, don't believe  
The saints are dead people, no pointed crowns  
They will throw your ashes over the Seine  
Like a funeral veil  
Like a funeral veil  
Everything bleeds, everything bleeds  
Untie your dress, everything bleeds  
And open up your protected room with two fingers

Everything bleeds,  
Everything bleeds  
Everything bleeds, untie your dress  
Everything bleeds  
And open up your protected room with two fingers  
Everything bleeds
