Hang on your cross and pretend to suffer  
Before your flesh gets cold you'll be mistreated  
rougher  
Who are you fooling when you weep  
Die must any wolf who turns into a sheep

Hold on to your cross, king of perversions and flies  
In the whirlwind you'll face, no-one will hear your cries  
Anticipate a horrible death to the cross nailed  
Mary's pathetic tries to shit forth a king failed

Jesus - son of rules halls up high  
Jesus - it was you who scorched the sky  
Jesus - hypocrite, you'll be the first to fry  
Jesus - scorn defeat, shut up and die

Jesus christ - sodomized  
We take no bow for angel child  
Jesus christ - sodomized  
All you love must be destroyed

Jesus - from the depths your death doom roar  
Jesus - your glory days belongs to yore  
Jesus - filthy scum behold abhor  
Jesus - your mother was a stinking whore

Jesus christ - sodomized  
We take no bow for angel child  
Jesus christ - sodomized  
Drunk of your blood we go wild

Eat his body, drink his blood and be a slave under the  
yoke of god  
Piss on christ and kill the priest, follow nature - praise  
the beast

Jesus christ - sodomized  
We love to see you short of breath  
Jesus christ - sodomized  
Your throne we inherit on your death

Bleed like a pig when with demons entangled

Bashed, ripped and torned, mutilated and strangled  
Scream your lungs out is what you will do  
When with fangs and claws the fallen rip you in two

Jesus christ - sodomized  
Demons ripped you, your life blood ran  
Jesus christ - sodomized  
One wound richer for each lie to man
