Dawn within the dawn
The twilight of the flesh
A final war to embrace us all
This and Now shall be known as The Old World

All that you treasure -- shall be known as the "Before"

Dawn within the dawn
The twilight of the flesh
A final war to embrace us all
This and Now shall be known as The Old World

Devils rise!
I brought the voice of the Depths
That ageless roar -- to redirect Perdition
... To redirect the very Wrath of God
