All dressed in gold and purple the beauty awaits the
night
Knowing what will satisfy
Aware of Her delight
The thought of young fresh blood makes the hours go
so slow
But the yearn for eternal life and beauty makes her
hazelbrown eyes glow

Woman of Dark Desires
Woman of Eternal Beauty
Woman of Dark Desires
Elizabeth Bathory.....

Now the hour is comed, the time is right for the feast to
take it's roll
And by the sunrise 60 bodies will be found raped from
their blood and souls
The beauty patiently selects the victims for the night
Innocent blood will give eternal beauty eternal life

Woman of Dark Desires
Woman of Eternal Beauty
Woman of Dark Desires
Elizabeth Bathory.....

Now the life you have lived have comed to light and
unfold is your perversity.
Now the end is near still death is real
No more beauty or life for eternity
Cold walls entombs your secrets but there's nothing
you regret
Embrace death with a smile as the highlands face
sunset

Woman of Dark Desires
Woman of Eternal Beauty
Woman of Dark Desires
Elizabeth Bathory.....

Woman of Dark Desires
Woman Of Eternal Beauty

Woman Of Dark Desires
Elisabeth Bathory.....
