1. Its been two days and seven hours
since I last saw your face when you drove away.

But don't you forget the best hasnt happened yet.
Until then...

* Thanks for the memories
Thank you for being who you are
Thank you for setting me free
Thanks for the memories
Thank you for being who you are
Thank you for setting me free

2. I never thought it's be like this
We've already come this far. The first kiss.

And you want to
The best hasnt happened yet

Until then...

* Thanks for the memories
Thank you for being who you are
Thank you for setting me free

Thanks for the memories
Thank you for being who you are
Thank you for setting me free

The way you touch my hand
The way you make me feel
The way you understand
Well, I just want this to be real
The way you look at me
The way you let me grow
And how you set me free
The love you want me to know.

* Thanks for the memories
Thank you for being who you are
Thank you for setting me free

Thanks for the memories
Thank you for being who you are
Thank you for setting me free
