I woke up too early this morning  
Just staring at the wall  
Thinking why don't I just lay here  
And just not get up at all  
But then you pull me close beside you  
It's so hard to let you go  
And I breathe

I don't want to go  
Don't wake me up  
I want to stay beside you for as long as I want  
Don't let me go  
I want to see you tomorrow

So I turn around to face you  
To see if you're awake  
And my heart is tearing up inside  
And I know I cannot take the time  
To listen to your heartbeat  
It's a choice I have to make

I don't want to go  
Don't wake me up  
I want to stay beside you for as long as I want  
Don't let me go  
I want to see you tomorrow

So I turn around to face you  
And my heart is tearing up inside

I don't want to go  
Don't wake me up  
I want to stay beside you for as long as I want  
Don't let me go  
I want to see you tomorrow
