This ain't gonna' happen  
With pride in our view  
If this ought to work out  
I need to think of you  
Well I thought that I could do this  
We need to pull through  
Don't want to think again  
What I need to give to you

Just put all the toys away  
Say all the things we want to say  
Christmas is a time to make it right  
So give the gift of sacrifice

So give the gift of sacrifice

No need to hurt each other  
When we can be kind  
You don't need to be wrong  
I don't need to be right

Just put all the toys away  
Say all the things we want to say  
Christmas is a time to make it right  
So give the gift of sacrifice

So give the gift of sacrifice

And if it works out  
What can I do for you to work this out  
What do I need to say to work this out

Just put all the toys away  
Say all the things we want to say  
Christmas is a time to make it right  
So give the gift of sacrifice

Just put all the toys away  
Say all the things we want to say  
Christmas is a time to make it right  
So give the gift of sacrifice

So give the gift of sacrifice

So give the gift of sacrifice
