"Where Can I Turn For Peace"

Where can I turn for peace
Where is my solace
When other sources seem to make me whole

When with a wounded heart
Anger or malice I draw myself apart
Searching my soul

Where when my aching grows
Where in my need to know

Tell me where can I run
Where do I run
Where is the quiet hand to calm my anguish

Tell me who can understand
He only one only one only one

He answers privately
He reaches my reaching
In my Gethsemane savior and friend

Gentle the peace he finds for my beseeching
Constant he is and kind love without end

Where is the quiet hand
Tell me who'll understand
Where can I turn for peace
