I guess I've come a long ways
And I don't even know it
I guess I've seen a lot of ways
And I don't know how to show it
It seems people come
And people go
But somehow I gotta' get on with the show
And it's all the same
I hope I don't blow it

Who are you and who am I
It's hard to say sometimes
How am I supposed to fly
I really don't know do you
Who are you and who am I
It's hard to try when I'm so down
Who am I

Suppose it's been a long time
But I still have lots to say
I know that everything's fine
Even if it doesn't go my way
I still have a little time to grow
I have a little more that I could know
So what if everything died
There's still another day

Who are you and who am I
It's hard to say sometimes
How am I supposed to fly
I really don't know do you
Who are you and who am I
It's hard to try when I'm so down
Who am I
