Here's a road are you invited
It's always up to you
How come our roads have collided
Maybe I want something too

You say you say
That there's a place
People make mistakes

You say you say
That there's no way
Well forever is a long time
Why don't you stay

Trust is something that's unspoken
I guess I thought you knew
Hearts are just meant to be broken
That's something you like to do

You say you say
That there's a place
People make mistakes

You say you say
That there's no way
Well forever is a long time
Why don't you stay

What if all your tomorrows
End up to be a waste of my time
Too much pain and
Too much sorrow
Is not what I'm in for
It's not what I'm in for

You say you say
That there's a place
People make mistakes

You say you say
That there's no way

Well forever is a long time
Why don't you stay

Just go away
