So this is it now
Your feelings turn
So this is it now

Tell me
What you want to know
I I don't think so

love is at your door
But it's too easy
Your mother's at your door
Ready to set you free
I am at your door
But you don't love me anymore
Peace is at your door
I'd like to think so

Tell me
Is it for the best now
I I don't think so

Solace at your door
But it's too easy
Your mother's at your door
Ready to set you free
I am at your door
But you don't love me anymore
Peace is at your door
I'd like to think so

Is it for the best now

Love is at your door
But it's too easy
Your mother's at your door
Ready to set you free
I am at your door
But you don't love me anymore
Peace is at your door
I'd like to think so
