Guilty

Margareth Whiting

Music and Lyrics by Richard Whiting and Kahn and Akst

Recorded by Margaret Whiting who is the daughter of Richard Whiting.

Is it a sin, Is it a crime  
Loving you, dear, like I do?  
If its a crime then Im guilty,  
Guilty of loving you.  
Maybe Im wrong, dreaming of you  
Dreaming the lonely night thru,  
If its a crime then Im guilty,  
Guilty of dreaming of you.  
What can I do, What can I say,  
After Ive taken the blame?  
You say youre thru,  
Youll go your way  
But Ill always feel just the same.  
Maybe Im right, maybe Im wrong,  
Loving you, dear, like I do,  
If its a crime then Im guilty,  
Guilty of loving you.
