You cried alone by the window - Over the love that you
lost - You gave it all - Never counting the cost - Rain like
tears beat on your window - Melting your heart to the
floor - No love returned - And now you have less than
before (It's)

Chorus:

Never for nothing - When you love with no return - It's
never for nothing - Light your candle in the darkness -
Cause it's never for nothing

Your friends say you're the fool - For loving with
nothing to gain - But they can't see the reward - That
you'll claim - So hold on to the holy promise (that says)
- No labor of love is in vain - Precious tears are
changed to jewels - In the rain

(Chorus)

(Chorus)
