Only love can break a heart only love can mend it again

Last night I hurt you but darlin remember this

Only love can break a heart only love can mend it
again, hmm, hmm

You know I'm sorry, I'll prove it with just one kiss

Only love can break a heart only love can mend it agai-
ai-ain

Give me a chance to make up for the harm I've done

Try to forgive me and lets keep the two of us one.

Please let me hold you and love you for always and
always

Only love can break a heart only love can mend it agai-
ai-ain

Only love can break a heart only love can mendit--again
