"Scatter These Thieves"

See this tower of vanity
Scatter it to the wind
Tear it down piece by piece
Scatter it to the wind
Level the walls of this rebel heart
Let Your light invade my dark
Crush the pride in every part
And scatter it to the wind

CHORUS

Scatter, scatter, scatter these thieves
That steal Your truth and burden me
Sweet, sweet, sweet liberty
When You are all that's left
In me

See this tiger of retaliation
Scatter it to the wind
See this tongue of defamation
Scatter it to the wind
Bind these hands of selfishness
Find the sins I can't confess
Cleanse me from unrighteousness
And scatter it to the wind
Scatter it to the wind

CHORUS

This is my beginning
This is my end
This is the ground
I must die to defend
I must die to defend
As long as I live
As long as I breathe
You must grow stronger
Stronger, stronger
In me

Chorus

Cleanse me
Let the water pour
Over me
Flowing down, down, down
