I am shattered, stranded from love - Suspended out
over the eternal blue - No ladder, no rope to my hand -
There isn't anything that I can do - (But) Oh, the power
of pure Love - To pick me up and turn me around - I've
found the feel of solid ground (now I'm)

Chorus:

Standing on top of the world - Standing on top of the
world - It's left me so high - Lifted by the power of love

Been feeling vacant, like there's nobody home - The
lights are burning but I'm all alone - Like a paper, blown
around by the wind - Can't even see where I'm going -
(But) Oh, the power of pure love - To lead me on and
into the sky - And when I opened my eyes (I was) -

(Chorus)

I could only make a may-day - The beat of a heart in a
lonely world - Till He sent love, sent it my way - I'm no
longer alone - Standing on top of the world

Oh the power of pure love - To lead me on and into the
sky - And when I opened my eyes (I was)

(Chorus)

(Chorus)
