Oh Lord
Won't You hold my hand
And help me to find
A new place to stand
All these changes
That I've been through
Have left me with only
One absolute
CHORUS
This I know, only this I know
That You love never changes
As I go
Only this I know, only this I know
That Your love never changes
As I go
Oh Lord
I've crossed mercy lines
For what seems to be
At least a thousand times
And still
It's Your love that I see
Long, high, wide and deep
Reaching out to catch me
(repeat chorus)
It was love that first drew me
It is love that will keep me here
Now I see love burning brightly
When everything else is unclear
(repeat chorus)
