(I can't help it if I'm still in love with you)
Today I passed you on the street
And my heart fell at your feet
I can't help it if I'm still in love with you
Somebody else stood by your side
And he looked so satisfied
I can't help it if I'm still in love with you

A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
And suddenly I got that old time feeling
I can't help it if I'm still in love with you

(It's hard to know when others' lips will kiss you)
(And hold you just the way I used to do)

Oh heaven only knows how much I miss you
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you
