Gatherin' gatherin' my love's gatherin' dust  
My poor heart is fallin' apart it's gatherin' dust

You never should put my love upon the shelf  
But you were thinkin' of no one but your own sweet self  
Well you've been up there havin' a ball and laughin' ut  
up  
I've been sittin' at home alone gatherin' dust

Gatherin' gatherin' my love's gatherin' dust  
Pickin' up bits and pieces of hurt and draggin' my heart  
around in the dirt  
Worryin' wonderin' if you're gonna give me the brush  
My poor heart is fallin' apart it's gatherin' dust  
[ trumpet - steel ]  
I figured out I've had my fill of waitin' around  
Now I'm gonna find these shoes of mine some solid  
ground  
You've taken my love for you for granted long enough  
I'm through sittin' at home alone gatherin' dust  
Gatherin' gatherin'...  
My poor heart is fallin' apart it's gatherin' dust
