I'm living in two worlds dividing my time  
Unhappy in your world and lonesome in mine

When I'm in your world well I just pretend  
That I'm really happy though I don't fit in  
Then I drift in my world so cold and alone  
I'm living in two worlds where do I belong  
I'm living in two worlds...

[ guitar ]

Old friends in your world they're new friends to me  
So I can't take part in in your old memory  
Our love shared in two worlds that don't turn the same  
We each have our own worlds and neither can change  
Yes I'm living in two worlds...
