I knew from the first I love you  
And my heart was your to command  
Now you tell me you think you love another  
And that completely destroys my plans  
So I told myself I'd forget you  
And I'll do it just as fast as I can  
Oh but I can't even take down your picture  
And that completely destroys my plans

My plans were just to be happy but now I don't see how I  
can  
For as long as someone else is there beside you  
That completely destroys my plans  
Yes as long as someone else is there beside you  
That completely destroys my plans
