There goes my only possession there goes my  
everything  
I hear footsteps slowly walking as they gently walk  
across a lonely floor  
And a voice was softly saying darling this will be  
goodbye forever more  
There goes my reason for living there goes the one of  
my dreams  
There goes my only possession there goes my  
everything

As my mem'ry turns back the pages  
I can see the happy years we had before  
Now the love that kept this old heart beating  
Has been shattered by the closing of a door  
There goes my reason for living...
