I am gonna take this... mind
Cause I ain't losing this time
I am gonna blow this open wide
This is my only desire
I am gonna set this year on fire
I have a broken desire
The flame... the road of a fighter

I am feeling involved
Get all over the world
This year
Hits all over the world
This year... that road
This year I am gonna make life proud
Spend all of the time... this year
... my friends were lost this year I don't take... this year
What do you want and I don't
Is hard to live in a foster...
I am gonna take this... mind
Cause I ain't losing this time
I am gonna blow this open wide
This is my only desire
I am gonna set this year on fire
I have a broken desire
The flame... the road of a fighter

... I could have never done without you
I am tired to be on my own
This year

Talk for hours on the phone
This year
Make... when I get home
... there was a witness
My grandma told me I am gifted
Knock yourself out
I am gonna take this... mind
Cause I ain't losing this time
I am gonna blow this open wide
This is my only desire
I am gonna set this year on fire

I have a broken desire
The flame... the road of a fighter

So you found another way
You heard about me
Now I am here to stay
Now I am here to stay
Now I am here to stay
No morning ever page
Hear me what I say
This is what I say
This is what I say
I am gonna take this... mind
Cause I ain't losing this time
I am gonna blow this open wide
This is my only desire
I am gonna set this year on fire
I have a broken desire
The flame... the road of a fighter
