Look into my teardrops and darling you will see
The reflection of an angel that made a fool of me
Look into my teardrops and you will see the eyes
That promised me so many things but all of them were
lies

Look into my teardrops the mirror of my soul
You will see the boy who stilled my only world but I
couldn't hold
Look into my teardrops you will see the one
Who broke my heart forever ain't you proud of what
you've done
[guitar]
Look into my teardrops the mirror of my soul...
Who broke my heart forever ain't you proud of what
you've done
