And when I go away
I know my heart can stay
With my love, it's understood
It's in the hands of my love

And my love does it good
Woah, woah, woah...
My love does it good

And when the cupboards bare
I'll still find something
There with my love
It's understood
It's everywhere with my love

And my love does it good
Woah, woah, woah...
My love does it good

Woah, woah, I love
Oh, woah, my love
Only my love holds
The other key to me

Oh, oh, my love
Oh, woah, my love
Only my love
Does it good to me

Woah, woah, woah...
My love does it good

Don't ever ask me why
I never say goodbye to my love
It's understood
It's everywhere with my love

My love does it good
Oh, woah, woah, woah...
My love does it good

Woah, woah, I love

Oh, woah, my love
Only my love
Does it good to me

Woah, woah, woah...
