She was a white owl
And had him like a high school drop out
Her brittle bones are cracking faintly
Her ode to was a lunch line lady

So I can't turn back honey
Come on back darling
Come on, come on
Get back together
Waste your time in the new when I'm talking to you
Shut up

She was coming up from
Everything he ever taught her
He said only try to talk when spoken to
And believe it's now or never

So I can't go back honey
Your folded money
Come on, come on
Get back together
Prance around in the nude when I'm talking to you
Shut up
Turn yourself into mush
You're taking it all
Come on, get back together
Waste your time in the new when I'm talking to you
Come on

Like a tiger creeping
Oh Canada, you dug your teeth in
And this child's gonna walk himself home
And nothing's gonna stop his progress

So I can turn back honey
Come on back darling
Come on, come on
Get back together
Prance in the nude when I'm talking to you
So shut up
Turn yourself into mush

You're taking it all
Come on, get back together
Waste your time in the new when I'm talking to you
Shut up
