Nobody knows the names of those birds
So why would you want me to? Why would you want
me?
Why would you need me?
Would you feed me?

Nobody knows the names of those rats
So why would you want me to? Why would you want
me?
Why would you need me?
Would you feed? The whole world is burning up from
the ceiling

Nobody knows the names of those dogs
So why would you want me to? Why would you want
me?
Why would you need me?
The whole world is burning up from the ceiling

Let's have a party
Let's have a party

Let's have a party

Let's have a party
Let's have a party
Let's have a party
Let's have a party

You dance like a frog whenever you dance
Your friends, they can't stand you
Nobody can, and I am afraid that
The whole world is closer, tomorrow foreclosure

You dance like a jerk whenever you dance
Your mother can't stand you
Nobody can, and I am afraid that

What I am proposing, to total explosion

Let's have a baby
Let's have a baby
Let's have a baby
Let's have a baby

Let's have a baby
Let's have a baby
Let's have a baby
Let's have a baby

Let's have a baby
Let's have a baby
Let's have a baby
Let's have a baby

Let's make it evil
Let's make it evil
Let's make it evil
Let's make it evil

Let's make it evil
Let's make it evil

Let's make it evil
