Jesus breaks your heart
Every night when he doesn't come.
All alone, wine bottles and chrome,
I got nothing in my bag for you.
The fire from the sky,
He wants to know your shoe size,
And all the weird shit in your brain,
He's gonna wash it away with blood.
Blood.
He breaks your heart every night when he doesn't
come.

Mary, steal the car
Drag it off with the carnival
I could pray,
I could beg you to stay,
But I won't.

Tell him what you like,
He wants to know your dark side,
And all the weird shit in your brain,
He's gonna wash it away with blood.
Blood.
He'll break your heart every night when he doesn't
come.

Tell me what you're like,
Come on and flash me those blue eyes,
And all the weird shit in your brain,
I'm gonna wash it away with blood.
Blood.

You break my heart every night we fall apart.
Every night we fall apart.
Every night we fall apart...
