So the color of your eyes are an AMAZING blue
Steady staying in them is all I want to do
& I see stars
Right here
Disease
And Tobacco free
Cabin fever hands won't ever FREEZE
Copy as I bleed in gasoline
And I am so BORED
Baby!
Disease
And Tobacco free
SLOW and cool your eyes are BLAZIN blue
Staying in is all we OUGHT to do
Cuz I see stars
Like these
Disease
And tobacco free
Disease
And tobacco free
Disease
And tobacco free
