I am alive  
I am alive  
And that is the best that I can do

You told me you lied  
You swore you were mine  
I took you back a thousand times

Talking a town  
You've been around  
If he is the man you want the go

But tonight we'll leave  
All our lovers behind  
And try to live a quiet life  
My love is dressing me like a clown

You are an ass  
A snake in the grass  
And he seeps from out your pores

And baby it's time  
To pay for my crime  
Nothing I say can make you mine

You either sing it in key  
Or run into me  
I can fake it as good as you

But tonight we'll leave  
All our spirit songs  
We'll drive and reach the hills by dawn  
My love is dressing me like a clown

But tonight we'll leave  
All our lovers behind  
And try to live a quiet life  
Margot dress me like a clown

Tonight we'll drink  
Into an early grave  
We'll laugh, we will not be safe

Someone has dressed us all like clowns

Darling it's in  
Where do I begin?  
Putting the contact lenses in

You say the lights  
Scurry like mice  
Reflect on the streets in goo goo eyes

Out on the roof  
Wait to grow up  
Turn me around and lock me up

Baby you are an ass  
A snake in the grass  
Then he oozes out your pores

Ooh, ooooh  
Ooh, ooooh
