Frank left in '96  
After suffering for us for decades  
And the music stopped  
Like it often does for small chunks of time  
Then it starts again

But he's gone and the sun still shines  
He's gone to stay  
He's gone, he's gone, it's done, so long  
He's gone

Frank left his shimmering blue  
After taking it out on Thursday  
And you cried  
Like you often do for small chunks of time  
Then you smile

But he's gone and the sun still shines  
He's gone to stay  
He's gone; he's gone and done it this time  
He's gone

What else can I say to you?  
What would make it clear?  
That I like it here  
I like it here  
Living with you  
When I'm gone the sun will still shine  
When I'm gone to stay  
When I'm gone, when I'm gone  
You too will be fine  
When I'm gone
