Coke bottle glasses, TV screens
And I am your mother, Amy

This is the end of Bollywood
I am your right hand
I am your best man
I am, I am, I am

Mysterious bruises, whiskey smile
And I am your monkey, stay awhile

I am reborn, your favorite son
I am reborn hard
Blown through your backyard
I am, I am, I am

I am the way to heaven's gate
So pour me a drink, for we fly away

I am your right hand
I am your best man
I am your right hand
I am your best man
