Settle down
You're starting to freak me out
And comb your hair
If I'm to take you anywhere

I've got it made
While my woman is away
Off taming goats
With compassion, I suppose

You've gotta believe me
Believe me, believe me
You've gotta believe me
Believe me

Holy cow
I want you to get out
And tell all your friends
That I'm not myself again

But I can't talk
'Cause I do the same to you
No, I can't talk
'Cause I'd up and wig out too

You've gotta believe me
Believe me, believe me
You've gotta believe me
Believe me

Jen sings of growing up in Montana
Where everything was great
And the people knew your name
I sing on the yellow frosted cake
Or how your mother's heart did break
When she found us in the hallway

You've gotta believe me
Believe me, believe me
You've gotta believe me
Believe me

You've gotta believe me
Believe me, believe me
You've gotta believe me
Believe me
