Brothers and sisters  
Sometimes you feel like you can't succeed  
And I'm here to tell you that you're probably right  
But if you stay strong everything will be alright

Allison's got a crackpot mind  
She tries to flex it all of the time  
But it's of no use, she's clearly lost her screws

She bares her teeth and paints them green  
She can be a drama queen  
She's got no needs, she sleeps on trampolines

The boys all say she's just a fool  
But I know that she's so much more  
She's a lunatic, a lunatic, a lunatic

Allison's a parable for the risks of being terrible  
She's four feet two and crazy as a loon  
She hops the bar, she keeps it cool  
She sheds her top in Marshall's pool

The guys make eyes at the naked girl  
Who's showing off her tits in a co-ed pool  
She's a lunatic, a lunatic, a lunatic  
She's a lunatic, a lunatic, a lunatic  
She's a lunatic, a lunatic

Someone save her from herself  
Someone save her from herself  
And get her home

Allison's got a crackpot mind  
She tries to flex it all of the time  
But it's of no use  
She clearly lost her screws

The boy's all say she sucked their dicks  
She claims that she's a feminist  
She's a lunatic, a lunatic, a lunatic  
She's a lunatic, a lunatic, a lunatic  
She's a lunatic, a lunatic, a lunatic
