I can't believe we got warm by a fire
Fed with my manuscript, what a nightmare
But your hands looked so cold, I was feeling ashamed
So I set them aflame with a lighter

And I will be calm while you're blowing your stack
My baby does not want me back

I can't believe we got stuck in this hole
This whole party's a bore, what a bummer
When we finally greet earth when we're on our home
turf
I'm gonna throw such a beautiful rager

And I will have fun while you're bein' a drag
My baby does not want me back
And I'm flying around head over heels, somehow

Fire, fire, everywhere
What the fuck is going on?
What the fuck is going on?

Fire, fire, everywhere
What the fuck is going on?
What the fuck is going on?

And I will be calm while you're blowin' your stack
My baby does not want me back
And I'm flying around head over heals
