Choking on a bone
She comes wandering home
Up the twisted stairwell
Of the great unknown

How we gonna warm
If you're stealing our logs?
And who's gonna love
When all the liquor is gone, gone, gone?

Scheming like a rat
She comes crawling back
Back from sweet Chicago

How we gonna warm
If you're stealing our logs?
And who's gonna love
When all that liquor is gone, gone, gone?

Let's settle our score
With a two by four, for we go
Let's settle our score
With a two by four

Let's settle our score
With a two by four, for we
Let's settle our score
With a two by four, for we

I saw you
Out past two in that raging car
I saw you
Out past two in that raging

I saw you
Out past two in that
I saw you
Out past two
