If I could roll up my money and smoke it, I would
Always travel light
Catch your eye
Don't blink twice

If I could make lemonade from your lemons, I would
Squeeze 'em hard and sour
Shut your eyes
Don't make nice

Oh no, oh no
Will you love me forever?
Oh no, oh no
Will you love me forever? Forever?

I'd take the tag off your sister and keep her for good
Keep her fat and sick
Steal her eyes
Pawn her diamonds

If I could pay off my doctor and get better, I would
Really bleed him dry
Steal his eyes
Take advice

Oh no, oh no
Will you love me forever?
Oh no, oh no
Will you love me forever? Forever?

If I could curse at your sister speaking in tongues
Get her good and paid

Oh no, oh no
Will you love me forever?
Oh no, oh no
Will you love me forever?

Oh no, oh no
Will you love me forever?
Oh no, oh no
Will you love me forever? Forever?
