I can see it in your eyes
That you're not satisfied
Maybe you should give it up
Maybe you should make it stop
You say you're doing fine
That she's one of a kind
Baby I know know better than to,
Believe that white lie
Maybe she will tell you that she cares
Tell you that she always will be there
But that don't matter, Cause I can love you better than
that
Even on a cold and rainy day,
I will never ever walk away
Don't believe in what she says cause, I can love you

Tell you that she always will be there
But that don't matter, Cause I can love you better than
that
Even on a cold and rainy day,
I will never ever walk away
Don't believe in what she says cause, I can love you
better than that

Yes I can love, I can love you better

I can see it in your eyes
That you're not satisfied
Maybe you should give it up
Maybe you should stop
She will always care, Tell you she'll be there
I can love you better than that

Even when it rains, I won't walk away
I can love you better than that
Maybe she will tell you that she cares
Tell you that she'll always be there
But that don't matter, cause I can love you better than
that
I can love you better
I can love you better
Don't beleive in what she says cause, I ca
