Passion is sweet  
Love makes weak  
You said you cherished freedom so  
You refused to let it go

Follow your faith  
Love and hate  
Never failed to seize the day  
Don't give yourself away

Oh when the night falls  
And your all alone  
In your deepest sleep  
What are you dreaming of

My skin's still burning from your touch  
Oh I just can't get enough  
I said I wouldn't ask for much  
But your eyes are dangerous  
So the thought keeps spinning in my head  
Can we drop this masquerade  
I can't predict where it ends  
If you're the rock I'll crush against

Trapped in a crowd  
Music's loud  
I said I loved my freedom too  
Now im not so sure i do

All eyes on you  
Wings so true  
Better quit while your ahead  
Now im not so sure i am

Oh when the night falls  
And your all alone  
In your deepest sleep  
What are you dreaming of

My skin's still burning from your touch  
Oh I just can't get enough

I said I wouldn't ask for much  
But your eyes are dangerous  
So the thought keeps spinning in my head  
Can we drop this masquerade  
I can't predict where it ends  
If you're the rock I'll crush against

My soul, my heart  
If your near or if your far  
My life, my love  
You can have it all

Oh when the night falls  
And your all alone  
In your deepest sleep  
What are you dreaming of

My skin's still burning from your touch  
Oh I just can't get enough  
I said I wouldn't ask for much  
But your eyes are dangerous  
So the thought keeps spinning in my head  
Can we drop this masquerade  
I can't predict where it ends  
If you're the rock I'll crush against

If you're the rock i'll crush against
